

AiV-DN4002

Model	AiV-DN4002
Video input / output	4 channel input + 4 channel PoE switch, 1 channel output
HDD support	-
SD card support	2 x 128 Gb
Playback	4 channels, D1 / 960H
Recording Channels	4 channels, D1 / 960H, real time
Audio input/output	4 channel input and 1 channel output (can be turned off)
Sensor input / output	4 channel input / 1 channel output
G-sensor	Yes
VGA	Yes
LAN	RJ45
Rs232	1
Rs485	1
Voice talkback port	Yes
Movement detection	Yes
Searchchannel mode	Time, date
System	Embedded Linux system, double MCU control
Time-lapse	Turn off function, time set between 5-7200 sec
Compression	H.264, main profile
Power	DC8-48V, anti-pulse voltage, low voltage protection
Operating temperature / humidity	From -65 to +65°C / ≤80%
